#### STEP TWO

## **Start Creating**

It's not about the best equipment or knowing the software. A good story can be told with simple tools and be much more effective than a perfectly produced piece with no message.

## Photography

Tips: Try multiple angles • Play with light

Need inspiration? <a href="mailto:pinterest.com/kcmotiondesign/stills-photography">pinterest.com/kcmotiondesign/stills-photography</a>

#### Take Your Own Photography

## Photo Manipulation/Compositing

Tips: Keep lighting and color consistent • Match the perspective

## Timelapses

Tips: Use a tripod • Avoid auto settings (if possible) • Play with shutter speed

Need inspiration? <a href="mailto:pinterest.com/kcmotiondesign/motion-timelapses">pinterest.com/kcmotiondesign/motion-timelapses</a>

#### Make Your Own Timelapse

Tutorial: (1) Use the timelapse setting on your phone and it stitches it together for you OR (2) <u>https://youtu.be/q0Y7Z980F7s</u>

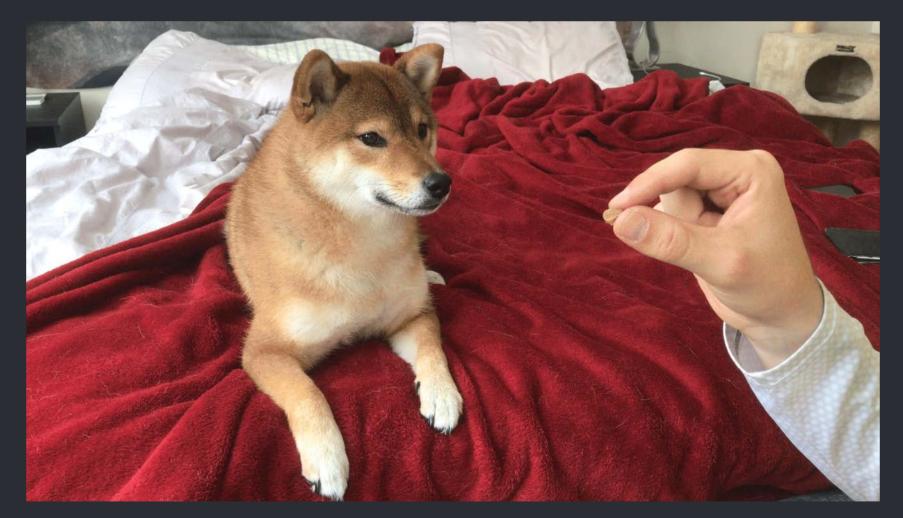

## Cinemagraphs

Tips: Use a tripod • Only the action should be moving • Needs to loop • Make it obvious

#### Brand Specific Questions Pertaining to the Story

What is the brand selling?

What are the brand's goals?

Who is the brand selling to?

In your mind, what desires drive the audience's (spending, awareness, engagement, etc.) not just in this category, but in life?

What is the brand's most unique feature?

To what extent can/should the brand dramatize the need for what it does?

What benefit will our target audience experience from this feature?

Operationally, what are the brand's strengths?

#### RevTrax will change the way you look at promotions.

Did you know that you can gain valuable insight from digital offers, and even trace an in-store purchase from a specific keyword on google?

Did you know that digital offers can accurately measure online-to-offline media ROI?

And did you know that testing thousands of versions of an offer for an upcoming campaign can take hours, not months?

With RevTrax, you can easily integrate intelligent promotions across your marketing plan.

And we can dynamically serve your offers to consumers based on data just like programmatic advertisements.

With <u>RevTrax</u>, you can derive real social ROI by leveraging social marketing to acquire new customers.

And you can also use technology automation to create personalized email campaigns in half the time it takes your team.

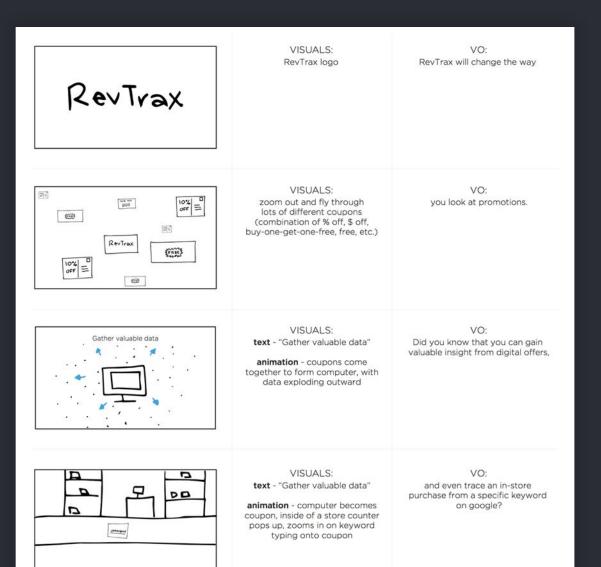

You can do all of this and more with RevTrax.

Let's disrupt the outdated approach to promotional offers, and redefine what they can do.

It's time to change the game. RevTrax.

# **Final Thoughts**

## **Practice. Practice. Practice.**

Don't focus on making only perfect creations. The person who makes 100 videos will be better off than the person who spends the same amount of time trying to perfect 1 video.

### **Don't Worry About Posting**

Play around and make mistakes for yourself.

## **Activity Time!**

Create your own stop motion and upload it to <u>this Google Drive folder</u>.
